

# DJANE PRODUCER

With several tracks to her credit as a DJ producer, Ness Toria has made a name for herself in the world of Electronic Music. Since 2018, she has been a resident DJ on Radio FG and her mixes have been broadcast internationally.

Originally from Marseille, Ness Toria has been mixing for more than 10 years.

She has been featured at prestigious events as well as several well-known festivals.

Her musical universe mainly revolves around House, Deep House & Tech House, but she is known for being eclectic while still maintaining her own style.

In 2019, her first musical release, "Go Funky," came out, which she self-produced.

2023, she signed 3 Tracks, including an EP, with the English label *RollerBlaster Records*.

2024 she realized a new EP *THIRD 03* directly charted #79 on *Beatport Tech House Releases*.

This year, She reinterprets François Feldman's hit "Rien que pour Toi" with his collaboration, in Afro House mood. The Release is charted #44 on *Beatport Afro House* and #10 on *Itunes France Afro House Top Track*.

In June 2024 with her Track: "Enough for me" signed on *Rollerblaster Records*, she received support from *Purple Disco Machine*. With the *Atari Safari* remix, she reached the 6th place on *Beatport's Nu Disco* chart.
