

Fernando de Matos

Fernando De Matos started at a very young age to play in various clubs in Geneva. His experience on the electronic techno scene in the heart of Europe exposed him to rich experiences which elevated and refined his tastes for electronic beats. He is a real chameleon, his sets are unique and miscellaneous with an eclectic touch that makes it possible to shift in between various techno styles like Tech house industrial techno or Peaktime. The unique leitmotiv of his music brings to light love passion and high spirits.

As a performer he brought his sets and kicked the dance floor with a powerful balanced music defined by melodic, energetic and forceful tunes. He played in diverse clubs in all Europe and venues like Kit Kat Berlin (2 x per year) Goya Social club in Madrid, Nada Temple in Lisbon, Industrie in Geneva. He is well known in European cities such as Barcelona, Lyon and since two years at ADE.

Fernando produced tracks for labels such as IAMT, Gain records or My Planet Record.

2024 is the year of ambitions, refreshment, and diversion. Fernando has taken a new name of artist (FACE-B) for music Indie dance, Melodic house and techno melodic and focus the Fernando de Matos artist name to Techno and Peaktime.
